Sub: Public Services - State and Subordinate - services - Posts of Store Keeper and Assistant Store Keepers of the State Broadcasting Department - Special Rules.

In G.O.No.4646 P.W. dated 12-12-1949 (as amended by G.O.No. 4097 P.W. dated 7-10-1952) Special Rules were issued for the posts of Store keeper and Assistant Store Keeper in the State Broadcasting Department, constituting them as a distinct class in the Madras General Subordinate Service, These rules have not been so far incorporated in the Madras Services Manual Vol. III.

2. In this connection I may stated that the posts of Store Keepers in the Public Works Workshops are now included in the Madras Engineering Subordinate Services" Branch II - Workshops. As the ~~ee~~ scales of pay, as well as, qualification prescribed for the posts of Store Keepers in the State Broddcasting Department correspond to those in the Public Works ~~Department~~ Workshops. I consider it more appropriate to bring these posts also under the Madras Engineering Subordinate Services then under the Madras General Subordinate service. I therefore request that the posts of Store Keeper and Assistant Store Keepers in the State Broadcasting Department may be included in Branch VI of the Madras Engineering Subordinate Service as "Category (5)". I also request that the special rules issued in G.O.No.4646 P.W. dt. 12-12-1949 (as amended by G.O.No.4097 P.W. dt. 7-10-1952) may also be incorporated in the appropriate place in the Madras Services Manual Volume III.

There are at present three categories of Store keepers in the State Broadcasting Department, viz., Store Keeper I Grade in the scale of Rs.150-10-250, Storekeeper II Grade in the scale of Rs. ~~60-4-100. Origin~~ 100-5-150 and two Store keepers III Grade in the scale of Rs.60-4-100. Originally, there was only one post of Storekeeper II Grade which was made permanent in G.O. No.3772 P.W. dated 7-10-1950. This post was later on upgraded into I Grade in G.O.No.4097 P.W. dated 7-10-52.

2. The post of Storekeeper II Grade and the two posts of Storekeeper III Grade have been sanctioned only on temporary basis, and are being continued year after year.

Sub: PUBLIC SERVICES - State and subordinates Services - Posts of Storekeeper and Assistant Storekeepers - of State Broadcasting Department - Special Rules.

Ref: From the C.E. P.W.D.No.52438 R1/55-1 dated 17-12-1955.
From the C.E.P.W.D.No.52438 R1/56-2 dated 14-3-1956.

It is seen from the letter second cited that there is one permanent post of storekeeper I Grade and that there is no post of Assistant Storekeeper either temporary or permanent in the State Broadcasting Department. The proposal of the C.E. in his letter first cited can therefore be accepted only in so far as it relates to the post of Storekeeper in the State Broadcasting Department. That post may constitute a different category, i.e., category 5, in Branch VI of the Madras Engineering Subordinate Service. The Chief Engineer Public Works Department (General) is requested to submit for the consideration of the Government necessary draft amendments to the special Rules for the Madras Engineering Subordinate Service.

2. In G.O.Ms.No.4646 Public Works dated 12-12-49 as amended by G.O.4097 Public Works dated 7-10-52, the Government issued special rules for the posts of Store Keeper and Assistant Store Keeper of the office of the Radio Engineer, State Broadcasting Department constituting them as a distinct class in the Madras General Subordinate Service.

3. The C.E., P.W.D.(General) has now pointed out that these rules have not been so far incorporated in the Madras Services Manual Vol.III As the posts of store keepers in the Public Works Workshops have been included in the Madras Engineering Subordinate Service Branch II and as the scales of pay and qualifications prescribed for the posts of Store Keepers in the State Broadcasting Department correspond to those in P.W. Workshops, the Chief Engineer considers it more appropriate to bring these posts also under the Madras Engineering Subordinate Service then under the Madras Engineering Subordinate Service then under the Madras Engineering Subordin General Subordinate Service. He has therefore requested that the posts of Store Keeper and Asst. Store Keeper in the State Broadcasting Department may be included in Branch VI of the Madras Engineering Subordinate Service as 'Category (5)' and that the Special Rules may be incorporated in the appropriate place in the Madras Services Manual Volume III.

4. The proposal of the Chief Engineer may be agreed to Public (Services) may see for remarks.

.....

The note of the P.W.D. on p.1 ante may be perused.

2. The rules issued in G.O.Ms.No.4646 P.W. dated 12-12-49 appear to be ad-hoc rules as the posts of store keeper and Assistant Store Keeper in the Office of the Radio Engineer, State Broadcasting department were temporary. There is no information that the posts have been subsequently made permanent. Apparently they are still temporary. If so, the rules cannot be included in volume III of the Madras Services Manual, 1954.

3. The proposal at A on p.1 ante may be agreed to in this department provided that the posts are now permanent. The posts of Store Keeper and Assistant Store Keeper may constitute different categories in Branch VI of M.E.S.S. The file may be returned to P.W.D.

.....

The note of Public (Service) Department on p2 ante may be perused The point raised by them in para 2 of their note may be got clarified from the C.E. P.W.D.(General). A draft memo is submitted for approval.

(Previous note of this department on p.2 ante)

....

The subsequent note of P.W.D. on p.3 above may be perused.

It is seen from the Chief Engineer's letter on p.5 c.f that there is one permanent post of Store-Keeper, Grade I and that there is no post of Assistant Store-Keeper, either ~~temp~~ temporary or permanent. In view of this, the proposal at A on p.1 ante may be agreed to in this department, in so far as it relates to the post of store-keeper only. It may constitute a different category in category 5 in Branch VI of Madras Engineering Subordinate Service P.W.D. may be requested to put up the proposed amendments in the form of a notification and then send the case to this department for acceptance and Law for scrutiny.

.....

The note of Public (Service) from p 3 ante may be perused. With reference to 'Z' above, the Chief Engineer P.W.D. (General) may be informed of the position. He may also be asked to submit the draft amendments for the consideration of the Government subject to orders a draft memo is submitted.
